Highlights

TouchUp feature

If you happen to miss a spot while brushing your teeth, your app's TouchUp feature will show you. You can then go back for a second pass, and be confident you are getting a complete clean, every time.

Focus areas and goal-setting

Any trouble areas your dentist has pointed out? We'll highlight them on your in-app 3D mouth map, and remind you to pay extra attention to these areas.

* vs. a manual toothbrush.

* *when used with A3 brush head vs. a manual toothbrush.

**vs. a manual toothbrush. In a lab study, actual results may vary.

****than a DiamondClean brush head.

*****based on two periods of two-minute brushings per day on standard mode
