

# PHILIPS

## AVENT

### Double Breast Pump Kit

Use with Philips Avent Breast Pump motor units

SCF338/52

## Inspired by baby. Effective for mom

### An extra set for more convenience

Our breast pump expression kits are made with a perfect balance of suction and nipple stimulation. It comes with silicone cushions that gently adapt to your nipple size and shape for a more efficient and comfortable pumping experience.

#### **Gentle and comfortable**

- One size soft and adaptive silicone cushion
- Express without leaning forward

#### **Quick expressing, more milk in less time\***

- Natural motion technology for a quick milk flow\*

#### **Convenience of separate pump set**

- Always a clean set handy at home, work or on the go

# Highlights

## Soft and adaptive silicone cushion

Because we all come in different shapes and sizes, the soft silicone flange gently flexes and adapts to fit both size and shape of the breast. It fits nipple sizes of up to 30mm/1.18 inches.\*\*

## Quick milk flow\*

Express more milk in less time\* with a cushion that stimulates the breast to express milk just like baby. It seamlessly adjusts from stimulation mode to expression mode', and applies just the right amount of nipple stimulation and suction for maximum milk flow. Based on milk flow initiation time (time to Milk Ejection Reflex - MER) results.\*

## Clean and setup easily

Our closed expression system means milk stays out of tubing so there's less to clean. Fewer parts also make it a breeze to put back together again.

## Sit comfortably

Feel relaxed as you express thanks to a design that lets you sit upright rather than having to lean forward. No need to lean forward, clinically proven comfortable expressing position.\*\*\* Based on product clinical trial results with 20 participants (2019); 90% of participants find the expressing position comfortable (single electric); 95% of participants find the expressing position comfortable (double electric).

# Specifications

## Material

Bottle: BPA free\*\*\*\*

Expression kit: BPA-free\*\*\*\*
