# Highlights

## Large 1.8 L capacity

Make up to 10 cups of delicious, fluffy rice for up to 10 people at every meal.

## 3D heating system

Cook every grain perfectly from all directions with advanced 3D heating technology.

## Cook, steam and keep warm

Enjoy versatile cooking with 3 functions to cook, steam, and keep rice warm for up to 48 hours.

## 4-layer aluminum pot

High-quality aluminum pot provides long-lasting performance with 4 layers and an anti-scratch non-stick coating for easy cleaning.

## Specially designed sealing ring

A specially designed sealing ring locked steam inside the pot without leaking out to cook at full speed.

## Certified quality

The rice cooker is made from high-quality, food-grade materials and certified by international authorities. PFOA, BFR and PVC free.
