Highlights

3 different plate sets

Interchangeable plates make all your favorites from long crunchy paninis to deep-filled sandwiches and waffles, too!

750 W of power

Rapid heating toasts everything to crisp, golden perfection in this powerful 750 W panini press sandwich maker.

Removable nonstick plates

No more sticking and scrubbing. Simple remove the plates and clean with ease thanks to the long-lasting nonstick coating.

Even heating

Enjoy sandwiches just how you like them: melted, mouthwatering, perfectly golden brown all over.

On/off switch

No need to unplug your sandwich press to turn it on and off.

Compact vertical storage

The sandwich toaster stands vertically for convenient storage on your countertop or in the cupboard.

Indicator lights

Lights clearly indicate when your panini maker is warming up and when it's ready to use.

Built-in cord storage

Wrap the cord for orderly storage without cluttering your kitchen.

Easy Lock system

Press sandwiches to perfection every time with a toastie maker that easily snaps open and closed.
