PHILIPS

Fully automatic espresso machine
4 Beverages LatteGo, Matte Black

Highlights

4 beverages in one touch

Enjoy 4 popular coffee recipes: from classic espresso, regular black coffee, to cappuccino, with the perfect crema, aroma and temperature. Hot water for tea is also available.

Easy coffee selection and customization

Easily select your favorite drinks thanks to the modern touch screen display with colored icons. Adjust your coffee your way with the My Coffee Choice function: choose your preferred coffee strength, length, and milk froth level, just to your taste.

LatteGo milk system

At the touch of a button, LatteGo automatically prepares silky smooth milk froth for your milky coffees, thanks to its powerful cyclonic frothing

technology, even with your favorite plant-based milk alternatives.

Fastest to clean milk system ever*

LatteGo is the fastest to clean milk system with only 2 parts, no tubes and can be cleaned in 10 seconds under tap or in the dishwasher. Philips is not offering automatic cleaning as it requires complementary cleaning.
