## 4D Flex Heads

Floating heads flex in four directions to maintain even contact with your skin protecting it from nicks & cuts.

## Anti-Corrosion Shaving System

Our shaver blades are made from surgical-grade hypoallergenic steel to resist corrosion, prevent impurities, and protect your skin.

## Pop-up trimmer

Refine and define your mustache and sideburns to complete your look with the pop-up trimmer.

In just an hour, the durable NiMH battery is fully charged for about 15 shaves. In a hurry? A 5-minute quick charge gives you enough power for one shave.

The shaver head flips open at the touch of a button to rinse clean under running water.
