Highlights

5 speed settings and Turbo

5 speed settings and Turbo for maximum mixing control.

2 in 1 preparation

Expand your cooking repertoire with two preparation modes, mixing and chopping, in one handy appliance.

Splash-free relaxed baking

Get into every corner of deeper bowls, minimize splashes and save cleaning time with the new long-reach design. Use the Soft-Start feature to gently build power and avoid splatter.

Dishwasher suitable parts*

High quality accessories suitable for easy cleaning in the dishwasher*.

Long-reach design

Minimize mess, splashing, reduce cleaning time yet still access all areas of your mixing bowl with our long-reach design.

Strong-grip

Lightweight with an ergonomic strong-grip handle designed not to hit the side of bowl and for comfortable use even on tough dough.

Moveable power cord

Moveable, flexible power cord that can be repositioned for maximum comfort during mixing.
