PHILIPS

Highlights

Easy-fit system

The covers come with easy-fit fastener system which keeps the board cover taut.

Perfect for Easy8 board

The board cover is specially designed to be used with the Easy8 board. It also fits ironing boards with size 120x45 cm.

including ShoulderWings

Two replacement covers for the ShoulderWings are also included in the pack complete with the easy-fit fastener.

Ideal for steam generators

This replacement board cover is suitable for Philips steam generators

Ironing with 60% less noise

Ironing experience is more convenient with the replacement cover that gives more silent ironing with 60% less noise reduction in sound power versus multilayer board cover

AquaBlock anti-drip cover

AquaBlock is a unique technology that prevents condensed steam from dripping on the floor, making this board cover the ideal ironing surface for steam generator irons.
