PHILIPS

Wireless keyboard-mouse combo
2.4GHz Wireless Multimedia shortcuts, Silent design, Intelligent power saving

SPT6308B/94

Highlights

2.4G wireless connection

Keep the computer wires at bay. For any keyboard/mouse equipped with this feature, you can connect the accessory to any PC via a speedy 2.4Hz wireless connection. The simple setup process, along with the accessory's sleek design, is sure to leave your workspace looking clean and wire-free.

multi-media shortcuts

With these multi-media shortcuts, you can easily switch to music, volume, or video play by a simple click.

Intelligent power saving

With the intelligent power saving function, this keyboard can go into standby and therefore save power when not in use.

Up to 1,600 dpi

Up to 1,600 dpi (dots per inch) for ultrafine movements

Low-profile keys

The low-profile keys add a stylish look and are quick and responsive for typing.

Keystrokes for durability

Keys last millions of keystrokes for durability

Reduced click sound

Reduced click sound, for quiet and comfortable experience
