### One perfect setting for all your clothes

- 100% easy to use, no adjustment required
- 100% safe on all ironable garments

# PHILIPS

Pressurised steam iron

Steam 65g/min;200g steam boost SteamGlide soleplate, Safety Auto off + Anti-calc, Safe for all ironable garments

# Highlights

## 100% safe

100% safe on all fabrics even the most delicate like silk, cashmere, wool, polyester. Independent iron testing institutes have used PerfectCare on the most sensitive ironable garments and they confirmed the excellence of ironing results.

## 100% easy to use

100% easy to use, no adjustment required. You can now iron all ironable garments one after the other, without having to wait or to adjust the iron's temperature dial.

## 100% fast

100% fast to iron, no sorting required. Iron all your garments with more effective steam.

## SteamGlide Soleplate

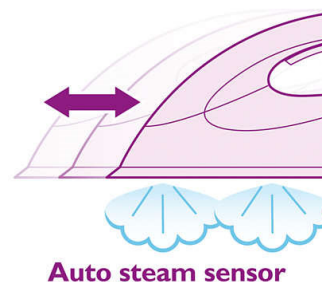

This specially designed soleplate combines superior ceramic coating for superior gliding on all fabrics and carefully designed vents for powerful crease removal.

## 2800 W for fast heat up

# 2800 W max

2800 W iron for fast heat up and powerful performance on all your ironable garments.

## Auto Steam Sensor

The innovative Auto Steam Sensor with motion detection activates the steam automatically when moving the iron on the ironing board. This always gives you the right

GC5057/02

amount of steam for effective crease removal, while reducing the wasted steam. Great results and energy efficiency

## Constant steam up to 65 g/min

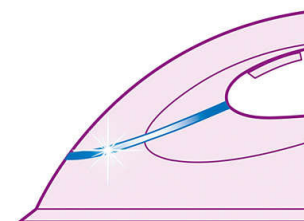

Constant powerful steam up to 65 g/min for better crease removal for all your garments

## Steam boost up to 200 g

The steam boost can be used for vertical steaming and tough creases.

## Smart light feedback

## Smart light feedback

Smart light feedback indicates the status of the iron at any time.
