

Philips  
Philips steam iron

**2000 W**

Anti-calc  
Non-stick soleplate  
Drip-stop

**GC1436/20**

## Easy and Effective

### Three ways to make your ironing easier

This comfort steam iron makes your ironing easy and effective by providing plenty of continuous steam, and the non-stick soleplate makes gliding smoother. With the comfort iron, ironing is made simple.

#### Easy gliding on all fabrics

- Easy gliding on all iron-suitable garments

#### Longer lifetime

- Calc clean slider to easily remove scale out of your iron

#### Easy to remove creases

- Continuous steam up to 25 g/min for good crease removal
- A fine spray evenly moistens the fabric
- Power up to 2000 W, enabling constant high-steam output
- 100 g steam boost to remove stubborn creases easily

#### Easy to start ironing

- Large 220 ml water tank that makes water filling convenient
- Larger temperature dial for easier temperature adjustment
- Triple precision tip for optimal control and visibility
- Drip-stop system keeps your garments spotless while ironing

# PHILIPS

# Highlights

## Power up to 2000 W

Power up to 2000 W enables constant high steam output.

## Spray

The spray function produces a fine mist that evenly moistens the fabric, making it easier to iron out creases.

## Temperature dial

Larger temperature dial for easier temperature adjustment

## Steam boost up to 100 g

Steam boost up to 100 g for fast removal of even the most stubborn creases.

## Non-stick soleplate

The soleplate of your Philips iron is coated with a special non-stick layer for easy gliding performance on all iron-suitable garments.

## Drip-stop system

Drip-Stop system lets you iron delicate fabrics at low temperatures without having to worry about stains from water droplets.

## Continuous steam up to 25 g/min

Continuous steam up to 25 g/min for good crease removal.

## Large water tank

Less frequent refilling with the extra-large, 220 ml water tank, so you can iron more clothes in one go.

## Triple precision tip

The tip of this Philips iron is precise in 3 ways: it has a pointed tip, button groove and a sleek nose design. The triple precision tip enables you to reach even the most tricky areas, e.g. around the buttons or between the pleats.

# Specifications

## Easy to use
