# PHILIPS

# Highlights

## Up to 4 bars steam pressure

Double your ironing speed with pressurized steam. Pressurized steam penetrates deep into fabrics, making your ironing fast and easy, even on difficult fabrics.

## Steam boost up to 150 g

The iron's 150 g steam boost enables you to easily remove even the most stubborn creases.

## Safety carry lock

Your steam generator iron comes with a safety carry lock. You can lock your iron safely on the

base, making it safer, reducing the risk of people touching the hot soleplate. You can also carry the steam generator easily.

## SteamGlide soleplate

SteamGlide soleplate is the best Philips soleplate for your steam iron. It has great scratch resistancy, glides excellent and is easy to clean.

## Vertical steam

This Philips iron has a vertical steam function, for crease removal in hanging fabrics.

## Variable steam settings

Variable steam settings to suit every garment.

## Eco-setting

Save 20% energy and 40% water consumption by selecting the eco-setting on your Philips Iron. The eco-setting offers the most energy efficient way to obtain perfect ironing results.

## Easy set-up and storage

Easy set-up and storage

## Constant steam up to 110 g/min

Constant steam up to 110 g/min helps to efficiently remove all creases.
