Quality assured

- Made at our award-winning site in the UK

Comfortable soft silicone nipple

- Designed for natural oral development

Safety & Hygiene

- Security handle for easy removal
- Snap-on cap helps keep your baby's pacifier clean

Highlights

Extra airflow

Skin needs to breathe, especially your little one's. Our shield has 6 air holes for extra airflow, designed to reduce skin irritation.

Orthodontic nipple

Our collapsible silicone nipple has a symmetrical shape that respects your baby's palate, teeth and gums as he or she grows.

Made in the UK

You can be sure that your little one's comfort is in good hands. This pacifier was made at our award-winning site in the UK.*

Security handle

Our security handle lets you easily remove your baby's pacifier at any time. Even little hands can grab it!

Snap-on cap for hygiene

When the pacifier isn't in use, simply snap on the cap before storing to keep the nipple safe and clean.

Easy to sterilize

Keeping your little one's Soothies and pacifiers clean is easy. Simply put them in your sterilizer or submerge in boiling water.
