# Fast and powerful ironing

Iron with 2-min quick start, refill any time

Created to speed up ironing from start to finish, the Philips iron 7400 series is ready in 2 minutes. Pressurized steam power speeds up ironing by penetrating deeper into fabric and the large water-filling inlet allows fast & easy refills

## Fast and powerful ironing

- Continuous steam up to 120 g/min
- Up to 4.5 bars of steam pressure for fast ironing
- Vertical steam for crease removal in hanging fabrics

## Easy to use

- Start quickly: less than 2 minutes start-up time
- Refill the watertank at any time, even during ironing
- Permanent anti-calc tablets inside delay scale build up

## Comfortable ironing

- SteamGlide soleplate is Philips premium soleplate
- Lightweight iron for effortless ironing

# PHILIPS

# Highlights

## Up to 4.5 bar

Double your ironing speed with pressurized steam. Pressurized steam penetrates deep into fabrics, making your ironing fast and easy, even on difficult fabrics.

## Continuous steam

The more steam, the faster the ironing. The unique technology in a Philips steam generator iron generates powerful steam making ironing easier, better and faster.

## Refill the watertank any time

The separate watertank allows you to re-fill the watertank any time, even during ironing, without waiting.

## Quick start: < 2 minutes

This system iron is ready to use in less than 2 minutes.

## Anti-calc Tablets

Permanent anti-calc tablets delay the formation of scale build up ensuring better protection for your system iron

## Lightweight

The iron is only 1.2 kg making ironing easy and effortless.

## SteamGlide soleplate

SteamGlide soleplate is the best Philips soleplate for your steam iron. It has great scratch resistancy, glides excellent and is easy to clean.

## Vertical steam

This Philips iron has a vertical steam function, for crease removal in hanging fabrics.
