PHILIPS

Highlights

SteamGlide soleplate

SteamGlide soleplate is the best Philips soleplate for your steam iron. It has great scratch resistancy, glides excellent and is easy to clean.

Calc clean slider

This steam iron can be operated with normal tap water and the calc clean slider makes it easy to remove any built-up scale out of your iron. To maintain the performance of your Philips steam iron, you should use this scale clean function once a month when using normal tap water.

Drip-stop system

The Drip Stop system of your Philips steam iron lets you iron delicate fabrics at low temperatures

without having to worry about stains from water droplets.

2200 Watt

This powerful iron heats up quickly and maintains very stable temperatures during ironing, making it easier to remove creases properly.

Steam boost up to 110 g

The iron's 110 g steam boost enables you to easily remove even the most stubborn creases.

Steam output up to 35 g/min

Continuous steam output of up to 35 g/min gives you the perfect amount of steam to efficiently remove all creases.
