- More efficient brewing process
- Protects your system against limescale build-up

Specifications

Packaging

- Quantity: 1 water filter cartridge

Highlights

Efficient brewing process

The water filter ensures a constant brewing temperature and consistent pressure during the brewing process, enhancing your espresso machine's performance.

Better coffee aroma

Aqua Prima gives you filtered water on demand. The optimum preparation to intensify the aroma of your coffee.

Reduces limescale

The INTENZA+ water filter helps protect your machine against the build-up of limescale from tap water, which affects the taste and aroma of your coffee.

Longer lifetime

The water filter extends the lifespan of your espresso machine, ensuring you can enjoy the best-tasting coffee for longer.

Compatibility guide

Only needed for Spidem Villa & Trevi and Saeco Vienna. All others are compatible with Saeco Brita INTENZA+ water filter.
