# Highlights

### Value for Money

Better value for your money (~30% discount)

### All you need

The Saeco Maintenance Kit is the most convenient kit to perfectly keep the top performance of your Saeco Espresso Machine.

### Special Espresso Decalcifier

The Philips Saeco decalcifier perfectly cleans all the water circuits in your espresso machine.

### Coffee Oil Remover

The Saeco Coffee Oil Remover Tablets remove all coffee oil residues, while keeping your espresso machine working efficiently for best results.

### Reduces limescale build-up

The Saeco decalcifier helps protect your machine against the build-up of limescale from tap water, which affects performance and taste. The decalcifier is highly effective, safe and easy to use. For effective decalcification descale every 250 servings.

### Longer lifetime

The water filter extends the lifespan of your espresso machine, ensuring you can enjoy the best-tasting coffee for longer.

### Better taste and aroma

Regular decalcification keeps your espresso machine performing at its best, ensuring the best taste and aroma.
