Highlights

Simply better TV sound

The crackle of laser fire. The roar of a crowd. Clear speech in the news. Two channels bring new levels of sound to your favorite movies and shows. With the EQ mode, the bass, treble or volume of your soundbar lets you get the most out of your film or music.

HDMI ARC

The days of hunting for multiple remotes are over. This soundbar connects to your TV via HDMI ARC, allowing you to control soundbar volume with the same remote you use for your TV.

Connect your favorite source

Stream playlists from your mobile device via Bluetooth. Connect audio sources via audio-in, optical input, or USB. Whatever you love, it will sound great through this soundbar.

Easy placement

See it. Hear it. Love it. The design of this soundbar looks great. You can place it on the table, or mount it to the wall with the integrated brackets.
