Philips PerfectCare Viva
Steam generator iron

Max 5 bar pump pressure

Up to 210 g steam boost
1.7 L water tank capacity
Compact design

GC7035/26

Iron faster with 2 x more steam *

no temperature setting required

Philips steam generator iron delivers faster and easier ironing experience. Iron your garments no temperature adjustment needed thanks to the revolutionary OptimalTEMP technology.

Compact technology
- Lightweight and compact size for easy storage
- Large water tank for longer continuous use
- Automatic switch off for safety and energy saving

No temperature setting needed, guaranteed no burn
- Iron jeans to silk, no need to change temperature setting
- Safe to leave the hot soleplate on the ironing board

Fast ironing with continuous powerful steam
- Powerful steam for ultimate crease removal
- Integrated easy clean system for long-lasting performance
- Philips best gliding with increased scratch resistance
- Save energy with ECO mode

PHILIPS

Steam generator iron

Max 5 bar pump pressure Up to 210 g steam boost, 1.7 L water tank capacity, Compact design

GC7035/26

Highlights

Ultra powerful steam

An ultra-fast ironing experience can be yours with revolutionary technology. The powerful and continuous steam tackles even rough creases, and thicker fabrics are smoothed out with ease and speed. Plus there's an extra steam boost if needed, perfect for vertical steaming or stubborn creases.

OptimalTEMP technology

With OptimalTEMP technology you'll no longer have to waste time changing temperature settings, waiting for the temperature to adjust or pre-sorting clothes. Iron fabrics from jeans to silk, with guaranteed no burns thanks to the perfect combination of temperature and continuous powerful steam.

Safe rest

Innovative OptimalTEMP technology guarantees no burn on all ironable fabrics. As well as the reassurance this provides whilst ironing, it also means you can leave the hot iron soleplate directly on your cotton ironing board without causing any damage. This helps to reduce any discomfort to your wrists, as you won't need to lift the iron to and from its base as often.

2 L water tank

The water tank has an extra-large 2 L capacity, so you get the convenience of up to 2 hours of continuous use, with no need to top-up the tank. It's also transparent, so you can get a 360°view of the tank to easily see how much water you have left to continue creating steam efficiently. When you do need to refill, your steam generator iron has a large filling hole that allows you to easily fill the water tank under the tap, or alternatively with a jug or bottle at any time during ironing

Smart Calc clean

Regular descaling protects your iron and maintains steam performance. The Smart Calc-Clean system is an integrated descaling and cleaning function to extend the lifespan of your steam generator iron. The iron will remind you with both light and sound that cleaning and descaling is needed. Simply place your iron onto the Smart Calc-Clean container and start the process. It takes approx. 2 minutes for the dirty water and scale to be collected, your steam generator will beep once it's done and ready to use again.

Lightweight and compact size

Thanks to revolutionary ProVelocity technology, we've been able to make a steam generator more compact than ever before. The smaller size fits perfectly on your ironing board for convenience and carrying it around is made far easier. Plus your steam generator iron will take up much less storage space.

Specifications

Storage
- Cord storage: Velcro fix
- Hose storage: Hose storage compartment

Easy to use
- Heat up time: 2 minute(s)
- Safe on all ironable fabrics: Even delicates like silk
- Soleplate gliding performance: 4 stars
- Soleplate name: SteamGlide Plus
- Safety auto off
- Refill any time during use
- Cord freedom (swivel): 360 degree cord freedom
- Tap water suitable
- Power cord length: 1.8 m
- Hose length: 1.6 m
- Ready to use: Light indicator, Sound indicator
- Soleplate scratch resistance: 4 stars
- Extra large filling hole

Accessories included
- Calc clean container

Technology
- OptimalTEMP technology
- For all ironable fabrics
- No burns
- No temperature settings needed
- ProVelocity steam engine
- Smart Control Processor

Fast crease removal
- Pressure: Max 5 bar pump
- Power: 2400 W
- Steam boost: up to 210 g
- Continuous steam: up to 120 g/min
- Vertical steam
- Voltage: 220 - 240 V
- Ready to use: 2 minute(s)
- Variable steam levels
- Steam-on-demand

Scale management
- Descaling and cleaning: Smart Calc Clean
- Descaling reminder: Light, Sound, Yes, no cartridges needed, no extra

Size and weight
- Packaging dimensions (WxHxL): 42.7 x 23.8 x 33.5 cm
- Weight of iron: 1.2 kg
- Product dimensions (WxHxL): 37.5 x 24.2 x 19.5 cm
- Weight of iron + base: 2.8 kg

Issue date 2024-02-13

Version: 1.1.1
