PHILIPS

Highlights

Powerful continuous steam

Powerful continuous steam is blown through the nozzles, enabling you to remove creases with only a few strokes.

Auto-clean

The Auto-clean function flushes the steamer to remove the calc particles and residues. This will extend the lifetime of your steamer.

Large water tank

600 ml large water tank creates enough steam for steaming up to 30 mins.

3 steam levels

Set your preferred steam level for optimal results on different kinds of garments.

Integrated storage

The compact integrated design with cover provides enough space to store all the parts including the power cord and the hose inside the base, protecting against dust and helps keeping your home neat and tidy.

Easy garment hanger

Easy garment hanger accessory lets you hang your garments on a door while steaming.

Steam kills bacteria

Hot steam kills up to 99.9% of bacteria on clothes and helps delaying washing or dry cleaning*.

Removes unwanted odors

Powerful steam removes cigarette, food and body odors.
