- The One with immersive Ambilight.
- The One with looks to thrill. Philips P5 picture engine.
- The One with TITAN OS.

PHILIPS

Highlights

Ambilight TV

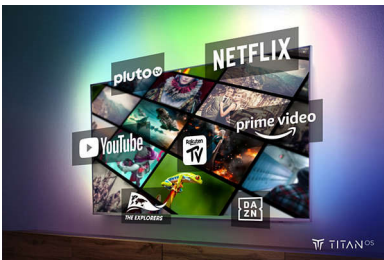

Ambilight TVs are the only TVs with integrated LED lights on the back that react to what you watch, immersing you in a halo of colourful light. It changes everything: your TV seems bigger, and you'll be drawn deeper into your favourite sports, films, music and games.

P5 picture engine

The Philips P5 engine delivers a picture as brilliant as the content you love. Details have noticeably more depth. Colours are vivid, while skin tones look natural. Contrast is so crisp you'll feel every detail. Motion is perfectly smooth.

TITAN OS smart platform

It's quick and easy to find what you love with our TITAN OS smart TV platform. Enjoying a series? You can continue watching straight from the home screen. If you're looking for

something new, you can browse categories like action or drama and see suggestions from the top streaming services, all in one place.

Dolby Vision and Dolby Atmos

With Dolby Vision and Dolby Atmos on board, your films, shows and games look and sound incredible. See the picture the director wanted you to see. No more disappointing scenes that are too dark to make out! Hear every word clearly. Experience sound effects like they're really happening around you.

Vibrant HDR picture

No matter what you watch, you'll enjoy a bright, ultra-sharp picture with vivid colours. Plus, this 4K (UHD) Ambilight TV is compatible with all major HDR formats, so you'll see more detail, even in dark and bright areas, when you're streaming HDR content.

Loves gaming

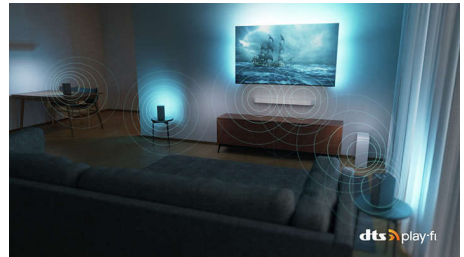

Your Ambilight TV with HDMI 2.1 lets you make the most of your next-gen gaming gear with super-responsive gameplay and smooth graphics. Make those jumps and U-turns or drift perfectly through a corner! VRR and FreeSync are both supported. Ambilight's gaming mode makes the thrills feel bigger.

Sustainable materials

The central swivel stand means you can place The One anywhere and still get the best view, plus you can use Ambilight for instant mood lighting when the screen is off. The TV remote is made from recycled plastic, our packaging uses FSC-certified recycled cardboard and the inserts are printed on recycled paper.

DTS Play-Fi compatible

You get great, clear TV sound straight out of the box. If you want more, Philips Wireless Home System with DTS Play-Fi lets you connect to compatible soundbars and wireless speakers around your home in seconds. You can even create a home-cinema surround-sound system using your TV as a central speaker.

Home sound made easy

Great TV sound. And easy to add soundbars or speakers.
