Highlights

ComfortCut Blades

Get a clean, comfortable shave with this Philips shaver. This electric shaver's 27 ComfortCut blades cut each hair right above skin level to give you a smooth and even finish.

MultiFlex Heads

The shave head has 5 directions of movement to maintain skin contact and catch hair in hard-to-reach areas.

3 LED display

The intuitive display shows relevant information, enabling you to get the best performance out of your shaver: - 3-level Battery Indicator - Battery Low Indicator

Click-on precision trimmer

Click on our skin-friendly precision trimmer to finish your look. It's ideal for maintaining your mustache and trimming your sideburns.

Easy grip

The shaver is designed with an ergonomic grip, so each movement feels natural. The new ergonomic handle with anti-slip rubber allows you get an effortless easy shave even when using under the shower.

Shave wet or dry

A wet and dry shaver that adapts to your preference. Choose a convenient dry shave, or pair with your favourite foam or gel for a refreshing wet shave.

One-touch open

Clean your electric shaver with the touch of a button. Simply flip open the shaver head and rinse with water.

50 minutes of cordless shaving

You'll have up to 50 minutes of run time - that's about 16 shaves - on a 1 hour charge. This shaver operates in cordless mode only.

1-hour charging time

Fully charge your Philips shaver in just 1 hour with the powerful and energy efficient lithium-ion battery. In a hurry? Plug in your shaver for 5 minutes and get enough power for 1 full shave.
