

Philips
Clock Radio

Large, clear display

FM digital tuning
Dual alarm

TAR3306

Always clear. Always on time.

Wake to a favourite radio station or an alarm tone with this slimline FM clock radio. A gently rising volume eases you into the day, and the Sleep Timer lets you drift off to the radio at night. A big display makes it easy to see the time.

Sleep well. Wake gently

- Sleep Timer. Drift off listening to your favourite station
- Gentle Wake. Alarm tone or radio volume rises gently
- Repeat alarm for extra snooze time
- Battery backup in event of power failure

Beautifully simple

- Easy-to-read display with adjustable brightness
- Buttons on top for tuning, volume, alarm and more
- Dimensions: 186 x 96 x 65 mm
- Slender body. Solid build

Compact form. Easy function.

- Clear, simple display with large clock digits
- FM digital tuning with 20 presets
- Dual alarm function. Set two alarms
- Wake to an alarm tone or the radio

PHILIPS

Highlights

Clear, simple display

Tell the time at a glance with this FM alarm clock radio. The large digits mean the display is easy to see from any angle, and you can adjust the brightness to suit your room. Simple controls take care of setting the alarm, volume and tuning.

Dual alarms

The dual alarm function lets you set two alarms, both of which can be set to use either an alarm tone or the radio. Perfect if you're likely to snooze through the first alarm. Or if your partner needs to wake before you.

Sleep Timer

Drift into restful sleep with your favourite radio station playing in the background. You can set the

Sleep Timer to play your selected station for up to two hours. After your preset time has elapsed, the radio turns off automatically.

Gentle Wake

Ease into your day thanks to the Gentle Wake function. Whichever alarm style you have chosen—alarm tone or radio—the volume starts low and gradually increases. No more waking with a shock!
