## Comfortable, clean shave. Even on sensitive skin With SkinProtect Technology

Philips Shaver 3000 Series Wet & Dry Electric Shaver gives you a comfortable, clean shave, even on sensitive skin. 5D Pivot & Flex Heads, 27 self-sharpening PowerCut Blades, and wet and dry use ensure excellent, reliable results every time.

### Easy to use

- 60 minutes of cordless shaving from a 1-hour charge
- Pop-up trimmer for your mustache and sideburns
- One-touch open for easy cleaning
- Anti-slip grip for a secure shave
- 3-level battery indicator to know when it's time to charge
- Convenient charging

### A clean shave

- PowerCut Blades for a consistent, clean shave

### Skin Protect technology

- 5D Pivot & Flex Heads stay close to every angle and curve
- Wet and dry shaving at the sink or in the shower
- Anti-Corrosion Shaving System respects the skin

### Sustainable

- Travel pouch for convenient storage at home or on the go

# Highlights

## 5D Pivot & Flex Heads

By flexing and pivoting in five directions, the head follows every curve of your face cutting just above skin level for a clean, comfortable shave even on sensitive skin.

## PowerCut Blades

27 self-sharpening blades consistently cut each hair right above skin level for a smooth, even finish, every time. Our self-sharpening blades stay like new for 2 years.

## Wet and dry shaving

Choose a convenient dry shave, or pair with your favorite foam or gel for a refreshing wet shave, even in the shower.

## 60 minutes of cordless shaving

In just an hour, the durable Li-ion battery is fully charged for about 20 shaves. In a hurry? A 5-minute quick charge gives you enough power for one shave.

## Anti-Corrosion Shaving System

Our shaver blades are made from surgical-grade hypoallergenic steel to resist corrosion, prevent impurities, and protect your skin.

## Pop-up trimmer

Refine and define your mustache and sideburns to complete your look with the pop-up trimmer.

## One-touch open

The shaver head flips open at the touch of a button to rinse clean under running water.

## Rubber grip

Never lose your grip. The ergonomic handle with rubber stays secure and comfortable, even when wet.

## 3-level battery indicator

Don't get caught with an empty battery. The battery indicator lets you know if the battery is low, empty, or charging.

## USB-A Charging

At Philips, we drive sustainability in all aspects of product creation. Our ambition is to reduce waste and minimize the number of USB adaptors we put in the market. Should you need an adapter, a suitable supply unit is available via: [www.philips.com/support](http://www.philips.com/support)
