PUSH YOUR LIMITS, wirelessly

Wireless sports earbud headsets

Philips Actionfit RunFree wireless sports headphones bring new levels of freedom and energy to your workouts. With a secure fit, tough waterproof design and powerful bass, they're built to keep your body moving.

protection

- Ideal for any workout with IPX2 sweat resistance
- Kevlar® reinforced cable for ultimate durability

Freedom

- Anti-slip rubber ear caps keep the headphone in - always.
- Bluetooth wireless connection for tangle-free workouts
- Control your music and pick up calls while training

Intensity

- Open acoustics let sound in for better awareness and safety
- High performance sound pushes you further

PHILIPS

Highlights

Ambient sound awareness

Enjoy quality sound that doesn't block out the world around you. The open acoustic design lets ambient sound in, so you can stay aware of your surroundings and stay safer exercising in the outdoors.

Anti-slip rubber ear caps

C-shaped rubberized ear tips keep the Actionfit earphones tightly in your ear so you can focus on your workout, not on keeping them in.

Bluetooth 4.1

Bluetooth technology provides hassle-free wireless music.

Extra durable Kevlar® cable

Your ActionFit headphones are designed for durability and strength. Its Kevlar-coated cable is well protected against tearing and breaking, and can withstand extreme environments - and workouts.

High performance sound

13.6mm drivers pump out high performance sound, pushing you to perform at your best.

Sweatproof

Don't be afraid to break a sweat. With an IPX2 rating, you can get sweaty and work out in the rain without any moisture entering the earpiece.

Mic and control

Stay connected. The built-in microphone and track controls allow you to change music or pick up calls quickly and easily while you train.

Specifications

Sound

- Acoustic system: Semi-closed, Closed
