Highlights

Sharp picture

Love everything you watch on this Full HD LED TV. The TV's processing engine optimises picture quality to deliver sharp images, rich colours and smooth motion. You get the best possible viewing experience every time.

TITAN OS smart platform

It's quick and easy to find what you love with our TITAN OS smart TV platform. Enjoying a series? You can continue watching straight from the home screen. If you're looking for something new, you can browse categories like action or drama and see suggestions from the top streaming services, all in one place.

Dolby Audio

Be immersed in your favourite shows and movies. This LED smart TV supports Dolby Audio for crisper, clearer sound. Whatever you love to watch, you'll hear it better.

Sustainable materials

This smart TV has a sleek look, and the virtually bezel-free screen goes with just about any interior. The TV remote is made from recycled plastic, our packaging uses FSC-certified recycled cardboard and the inserts are printed on recycled paper.

AI voice control

You can ask Alexa to control the TV via Alexa-enabled devices, or you can control your TV via Google smart speakers. Use your voice to find films and shows, get recommendations and more.
