PHILIPS

Highlights

Low battery detection

A message will appear on screen when the battery is almost empty. Battery can be changed in time by hotel staff. No hassle or irritation for your guests.

Direct hot key access

Allows direct access to MyChoice and SmartTV through a direct button on the remote control.

Multi remote control

The multi remote control feature ensures that each remote only operates one TV. There can be up to 14 different TVs in one room without any mutual interference of the remote controls.

Anti-theft for batteries

Batteries can be locked with a screw so they cannot be taken out by the guests.

Top surface cleanable

Easy to clean top surface with alcohol

White aesthetics

White design with round corners for a more friendly appearance in healthcare environments.
