Hygienic Remote Control

Effortless functionality.

Hygienic remote control with anti-microbial material. A cavity-free surface makes it easy to clean.

Easy to use

- Cast button for easy streaming
- Clear layout for effortless operation

Smarter by design

- Lockable battery compartment
- Low-battery detection
- Multi-RC settings memory
- Hygienic, anti-microbial and cavity-free
- Super long battery life

Highlights

Hygienic design
The choice of anti-microbial material combined with a cavity-free design, makes this hygienic remote control easy cleanable and free from germs.

Super long battery life
Free your staff from additional workload doing in-room interventions to change batteries. 2 AA alkaline batteries ensure very long battery life, up to 5 years.

Multi-RC settings memory
Keep your settings exactly the same between battery changes. Multi-RC saves your configuration in a permanent storage for effortless maintenance.

Lockable battery compartment
The lockable battery compartment is secured with a screw, ensuring batteries can only be removed or changed by staff.

Low-battery detection
When the battery in your Philips Professional Remote Control runs low, a notification appears on the TV screen. Allowing you to change the batteries before service is affected.
