## Battery

- Type: 2xAAA (Not Included)

## Dimensions

- Product dimensions (WxDxH): 184x48x20 mm

# Highlights

## Large, color-coded

This remote control's simple design strips away all but the most essential buttons and functions. The large volume and channel buttons are color-coded and glow-in-the-dark: for easy operation in any light.

## Multi-RC settings memory

Keep your settings exactly the same between battery changes. Multi-RC saves your configuration in a permanent storage for effortless maintenance.

## Lockable battery compartment

The lockable battery compartment is secured with a screw, ensuring batteries can only be removed or changed by staff.

## Low-battery detection

When the battery in your Philips Professional Remote Control runs low, a notification appears on the TV screen. Allowing you to change the batteries before service is affected.

## Volume and channel controls.

Volume and channel controls. Simple D-pad navigation
