- Immerse yourself in what you love. Ambilight TV.
- Find it easily. TITAN OS.
- Sharp picture. Vibrant viewing.
- Dolby Audio for richer, clearer TV sound.

PHILIPS

Highlights

Ambilight TV

AMBILIGHT tv

Ambilight TVs are the only TVs with LED lights behind the screen that react to what you watch, immersing you in a halo of colourful light. It changes everything: your TV seems bigger, and you'll be drawn deeper into your favourite shows, movies and games.

Sharp picture

FullHD

The processing engine in this Full HD LED Ambilight TV optimises picture quality to deliver sharp images, rich colours and smooth motion. You get the best possible viewing experience every time.

TITAN OS smart platform

It's quick and easy to find what you love with our TITAN OS smart TV platform. Enjoying a series? You can continue watching straight from the home screen. If you're looking for something new, you can browse categories like action or drama and see suggestions from the top streaming services, all in one place.

Dolby Audio

Be immersed in your favourite shows and films. This Ambilight TV supports Dolby Audio for crisper, clearer sound. Whatever you love to watch, you'll hear it better.

Sustainable materials

With its striking white frame, this smart TV rocks its own style — and you can use Ambilight as instant mood lighting when the screen is off. The TV remote is made from recycled plastic, our packaging uses FSC-certified recycled cardboard and the inserts are printed on recycled paper.

AI voice control

You can ask Alexa to control the TV via Alexa-enabled devices, or you can control your TV via Google smart speakers. Use your voice to find films and shows, get recommendations and more.
