6000 series

Wireless keyboard-mouse combo

SPT6607W/16

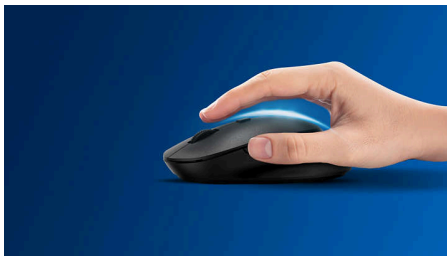

Highlights

Smooth optical tracking

High definition optical tracking for smooth control

Comfortable ergonomic design

Comfortable ergonomic mouse design feels great

Keystrokes for durability

Keys last millions of keystrokes for durability

Reduced the click sound

It has the same click feel without the click noise, which gives you more focus on your work.

Stylish design

The design is adjusted to be the most suitable for ergonomics after rounds of user surveys, and also takes into account stylish, slim appearance, and space saving.

2.4G wireless connection

Keep the computer wires at bay. For any keyboard/mouse equipped with this feature, you can connect the accessory to any PC via a speedy

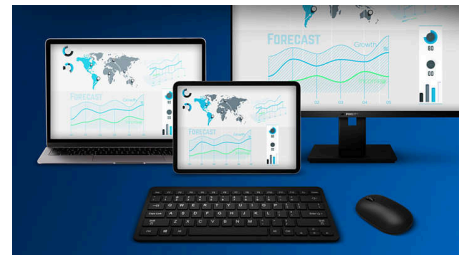

2.4Hz wireless connection. The simple setup process, along with the accessory's sleek design, is sure to leave your workspace looking clean and wire-free.

Detachable palm rest

This magnetic palm rest can be easily connected to or detached from the keyboard as needed. It gently protects your wrists, so that you are free of exhaustion even after a long time gaming.

Pair it with up to 3 devices

Beautiful work-on-everything keyboard mouse combo with easy switching between three devices, including any computer, tablet and smartphone. Rewrite the rules of working for one device, you can easily switch and go.
