PHILIPS

Home Projector

80" in True FULL HD 1080p LuminOS system, built-in apps, Flexible Design, Bedside Lamp, Super Silent

Highlights

LuminOS, pre installed apps and more

Take full advantage of endless entertainment directly out of the box with all your favorite pre-installed apps. Enjoy Netflix, Amazon Prime, Youtube, Disney+ and more!

Flexible Design

Break free from traditional viewing with the Philips NeoPix 230 Smart and its innovative 180-degree rotating stand. This feature invites you to redefine the boundaries of your entertainment - from hosting an intimate movie night under a starry ceiling in your bedroom to transforming your wall into a cinema. Rotate the device and just project on any white wall. Thanks to the auto focus and auto image adjustment, your image will always be straight!

Multiple image correction options

Auto horizontal and vertical keystones and 4 corner correction automatically help eliminate crooked, distorted images for a perfectly proportioned picture even if the device is not straight in front of the wall. The auto-focus technology and digital zoom

allow you to fine-tune pictures to your needs and place your projector at any distance.

Full HD 1080p images

Watch movies and more in Native Full HD 1080p high-definition sharpness, full of the fine detail that can be lost at lower resolutions. The picture remains lifelike and text is crystal-clear when displayed on wall, ceiling and more!

Bedside lamp

Elevate your ambiance with NeoPix 230 Smart's built-in LED strip, which effortlessly morphs the device into a stylish warm white bedside lamp. Just a 180-degree rotation and a touch of brightness control transform your space, delivering soothing illumination even when the projector takes a rest. Your personal theater and an elegant lamp - all in one.

Integrated speaker sound system

No need for extra sound systems thanks to the built-in omnidirectional speakers with unrivalled performance even in such a small package.
