- Plug-and-play installation

#### Reliable Philips quality

- Long-lasting performance
- Automotive-standards compliant

# PHILIPS

# Specifications

## Marketing specifications

- Product highlight: Direct-fit LED bulb
- Expected benefits: Quick, easy installation

## Product description

- Application: High Beam, Low Beam, Fog
- Base: P14,5s
- Designation: LED H1 11258 U2510 12V13W X2
- Designation LED Type: [≈H1]
- Operating Temperature: -40°C / +85°C
- Range: Ultinon WeatherVision
- Technology: LED
- Type: H1
- Homologation ECE R37: No
- Homologation ECE R10
- Polarity free

## Lifetime

- Life time: 1500 hours

## Light characteristics

- Lumens: 1400 lm
- Color temperature: 3500 K

## Electrical characteristics

- Wattage: 13W
- Voltage: 12V

## Ordering information

- Order entry: 11258U2510X2
- Ordering code: 72921331

## Packaging Data

- EAN1: 6974260729213
- EAN3: 6974260729220

## Packed product information

- Gross weight per piece: 72.1g g
- Length: 4.8cm cm
- Width: 10.2cm cm
- Height: 10.6cm cm
- Pack Quantity: 2 pcs
- MOQ (for professionals): 6 sets
- Net weight per piece [g]: 20.1g

## Outerpack information

- Length: 15.5cm cm
- Width: 11cm cm
- Height: 22cm cm
- Gross weight per piece: 0.56kg kg

# Highlights

## Long-lasting performance

Philips Ultinon WeatherVision LED bulbs are rigorously tested and checked to ensure long-term durability and long-lasting performance. Our range offers up to three times the life of a comparable halogen bulb and homogeneous light throughout the bulbs lifespan. The Philips warranty policy covers Philips Ultinon WeatherVision LED bulbs.\*\*\* Enjoy the best of today's technology with Philips Ultinon WeatherVision LED bulbs.

## 3500K warm white light

Philips Ultinon WeatherVision LED bulbs project an elegant, halogen-like glow at 3500 Kelvin. They give your car a timeless style while offering the extra brightness of LED. Experience more comfortable vision in difficult weather conditions, such as snow and fog, thanks to reduced glare.

## Beam outperforms halogen

Delivering superior light-beam performance, Philips Ultinon WeatherVision LED bulbs outshine halogen bulbs and feature a compact, universally compatible design. Using the latest innovations in LED technology, they match standard ECE halogen brightness while enhancing beam efficiency with reduced energy consumption. Philips Ultinon WeatherVision LED bulbs provide drivers with better on-road vision, making it easier to spot obstacles and drive more safely.

## Plug-and-play installation

With Philips Ultinon WeatherVision LED bulbs, installation is so quick and easy that retrofitting them is child's play! There's no need for compatibility checks or adapter rings: Philips Ultinon WeatherVision LED bulbs come with an ultra-compact body and an integrated IEC 60061 compatible base. Their direct-fit design features the same footprint as halogen bulbs, enabling straightforward installation in tight spaces. They fit easily and ensure broad compatibility with most vehicle models\*.

## Automotive-standards compliant

Technologically advanced, Philips lighting has been renowned in the automotive industry for over 100 years. Aware that the performance of our products depends on their compatibility with the demands of today's automotive environment, we design our products as closely as possible to industry standards. Our Philips Ultinon WeatherVision LED bulbs comply with EMI standards for electromagnetic interference. Precision-engineered to withstand the rigors of modern automotive life, our bulbs won't disrupt the operation of other vehicle components.
