Highlights

Extra soft and absorbent

Absorbent padding draws moisture away from the skin and traps it behind a leak-proof liner.

Anti-slip adhesive tape

Anti-slip due to adhesive tapes to keep the breast pad in place.

Developed with an expert

Developed in collaboration with a midwife and breastfeeding advisor who has been supporting mums with breastfeeding for 20 years.

Hygienic

Individually wrapped for extra hygiene.

Reusable with soft brushed cotton lining

Brushed cotton lining – soft and gentle against the skin. Machine washable and dryable.

Soft with discreet, contoured shape

Philips Avent breast pads have a contoured shape that allows you to wear them discreetly under your clothing.
