- Designed to prevent dust build-up and reduce sound distortion

### Simply enjoy all your entertainment

- Plays Blu-ray Discs, DVD, VCD, CD and USB devices
- Access your favourite YouTube videos and Picasa photos easily

# PHILIPS

# Highlights

## Virtual Surround Sound

Philips Virtual Surround Sound produces rich and immersive surround sound from a less than five-speaker system. Highly advanced spatial algorithms faithfully replicate the sonic characteristics that occur in an ideal 5.1-channel environment. Any high quality stereo source is transformed into true-to-life, multi-channel surround sound. No need to purchase extra speakers, wires or speaker stands to appreciate room-filling sound.

## Dolby TrueHD and DTS-HD

Dolby TrueHD and DTS-HD Master Audio Essential deliver the finest sound from your Blu-ray Discs. Audio reproduced is virtually indistinguishable from the studio master, so you hear what the creators intended for you to hear. Dolby TrueHD and DTS-HD Master Audio Essential complete your high definition entertainment experience.

## Play it all

Play virtually any disc and any media format you want - whether they are Blu-ray Discs, DVDs,

VCDs, CDs or USB devices. Experience the unbeatable convenience of great playability, and the luxury of sharing media files on your TV or home theatre system.

## Curved SoundBar design

Curved SoundBar design for a wider sound dispersion

## Optimised sound quality

Special dust-resistant mesh material protects the speakers from any dirt that may affect sound dispersion.

## Flexible placement

Enjoy the versatility of this home theatre system that allows you to place it where you want. Whether on a TV stand, on a table or mounted on a wall, the product looks sensational and functions without compromise. For once, you get to control how your home looks without giving up an incredible home theatre experience.

## 400 W RMS power

400 W RMS power delivers great sound for movies and music

## Access YouTube and Picasa

Get YouTube videos and Picasa photos on your TV now. Enjoy the huge collection of online videos on a larger screen, without even having to turn on your computer. Simply ensure that your Blu-ray player or Home cinema system is connected to the Internet, either wirelessly over Wi-Fi or with a cable to the LAN connector, then sit back and enjoy the best of YouTube and Picasa.

## Get wide surround sound

Get wide surround sound with 4 woofers and 2 tweeters
