

PHILIPS

Stand air circulator
fan

Series 2000

Large twist Angle fan blade

Third speed wind speed

5m remote control

Removal lift

ACR2242CFD

Warm breeze in hot summer

Circulate air for rapid cooling

Large twist Angle fan blade, long distance air supply, strong wind soft delivery; 5m remote control, one click to enjoy cool; Removal lift, adapt to multiple scenes.

Smart and convenient life

- Simple disassembly, platform dual use.
- 5 meters remote control, cool and easy to enjoy one key.

High efficiency refrigeration system

- 3 speed wind, comfortable and delicate.
- Large twist Angle fan, long wind distance.

Series 2000

Stand air circulator fan

ACR2242CFD/30

Highlights

Removal lift

Removal lift Simple disassembly design, easy to achieve platform use, adapt to multiple scenes.

5m remote control

Remote control, no need to get up, gently press, enjoy cool

Third speed wind speed

The air flow will be evenly cut, conveying cool wind is strong and soft, comfortable and cool.

Large twist Angle fan blade

Each blade of the big twist Angle is blended with a different cutting Angle of wind, strong wind and comfortable blowing.

Specifications

Technical specifications

frequency: 50 Hz

Length of power cord: 1.8m

Rated power: 40W

Rated voltage: 230V

Design and finishing

color: White

material: ABS

Country of origin

Country: China

Use type

Control mode: Touch+Remote control

warranty

Whole machine: One-year warranty

function

Swing left and right: 60 degrees

Swing up and down: 90 degrees

wind modes: 1

wind speed: 24 modes
