

PHILIPS

Stand air circulator
fan

Series 2000

7 Blade airfoil fan blade

Left and right air supply

Platform dual use

Third speed wind speed

ACR2142SFD/30

Make the air around you more fluid.

A cool breeze surrounds the room.

7 Blade airfoil bionic fan blade, natural soft wind more light sound; Simple disassembly, platform dual use; Two kinds of control, easy to operate; Low noise and no disturbance.

Energy saving and comfortable

- Say goodbye to the noise and create library-like silence.

High efficiency refrigeration system

- 3 speed wind, comfortable and delicate.
- 7 Blade airfoil bionic fan, natural soft wind sound
- Shake your head around the wind, enjoy the cool breeze.

Smart and convenient life

- Touch, remote control to control, easy to operate.
- Simple disassembly, platform dual use.

Series 2000

Stand air circulator fan

ACR2142SFD/30

Highlights

Two kinds of control

Touch control, clear function, simple operation;
Remote control, free distance, more convenient.

Low noise and no disturbance

Excellent motor in the use process to a greater extent to reduce the generation of noise, do not cause too much burden on the ear, hear is pleasant, feel is comfortable, cool into the body, pleasure in the heart.

Third speed wind speed

The air flow will be evenly cut, conveying cool wind is strong and soft, comfortable and cool.

7 Blade airfoil fan blade

7. The bionic blade of the airfoil is blended with different cutting angles to simulate the natural soft wind and keep people cool.

Removal lift

Simple disassembly design, easy to achieve platform use, adapt to multiple scenes.

Shake his head from side to side for air supply

Shake the head around the air supply, large area release cool, promote air flow, quickly reduce the indoor temperature, cool comfort to fill every place.

Specifications

Technical specifications

frequency: 50 Hz

Length of power cord: 1.8m

Rated power: 50W

Rated voltage: 230V

Design and finishing

color: Off-white

material: ABS

Country of origin

Country: China

Use type

Control mode: Touch+Remote control

warranty

Whole machine: One-year warranty

function

Swing left and right: 120 degrees

Swing up and down: 90 degrees

wind modes: 1

wind speed: 3 modes
