PHILIPS

Education Theater

Acute care in rhythm with you
Together, we make life better

Don't miss your opportunity for CERPs at the Philips Education Theater at NTI 2024

The Philips Education Theater is proud to present informative 25-minute sessions on May 21 and 22, in booth 1701. Learn from knowledgeable speakers regarding a variety of today's important clinical topics that matter to you, your health care organization and your patients.

National Teaching Institute & Critical Care Exposition and NTI are trademarks of the American Association of Critical-Care Nurses.

*Visit the NTI website and search for the session using the class code. Complete the session evaluation to receive your CERPs.
