## Highlights

### NanoTech Dual Precision blades

With up to 165.000 cutting actions per minute, the NanoTech Dual Precision blades deliver extremely close results at skin level. Now reengineered with Guide & Cut System and hardened with nano particles, the 72 self-sharpening blades have extra strong and long lasting sharp edges for an ultimate closeness at all times.

### Premium pouch

The S9000 Prestige Shaver comes neatly packed in a premium storage pouch with a Qi charging pad and accessories. Ideal for travel or keeping it safe when it's not in use.

### Click-on nose trimmer

Click-on nose trimmer for nose & ear hair

### Precision trimmer

Even-up your mustache and sideburns

### Top-spin digital motor

Maximum rotations for maximum efficiency, Philips' most advanced digital motor ensures a precise shave no matter the facial contour or hair density.

### Personal Comfort settings

Adjust the speed of your shaver and personalize your shaving routine to your own skin and preferences.

### Power Adapt sensor

The electric shaver has intelligent facial-hair sensor that reads hair density 500 times per second. The technology auto-adapts cutting power for an effortless and gentle shave.

### One-touch open

Clean your electric shaver with the touch of a button. Simply flip open the shaver head and rinse with water.

### Ultraflex Suspension system

Fully flexible heads completely adapt to every contour of your face catching even difficult hairs. The result is an exceptionally smooth and comfortable shave.

### Hydro SkinGlide coating

Our best protective coating lies between the shaver heads and your skin. Made of up to 500.000 microtech beads with hydrophilic properties per square centimeter, creating smoother gliding on skin by 50%\* for maximum skin comfort.

### Shave wet or dry

A wet and dry shaver that adapts to your preference. Choose a convenient dry shave, or pair with your favourite foam or gel for a refreshing wet shave.

### Up to 5-year warranty\*\*

Our shavers are engineered for excellence and come with 5-Year Warranty so you can enjoy ultimate reliability and performance. Shave after shave.

### Wireless Qi charging pad

Plugging in cords in wet areas is a thing of the past. Simply lay your cordless electric shaver on the Qi charging pad for a wireless charge.

### Digital display

The intuitive display shows relevant information, enabling you to get the best performance out of your shaver: - 3 digit (%) battery indicator - Cleaning Indicator - Battery Low Indicator - Replacement Head Indicator - Travel Lock Indicator

### Li-ion battery with 3hr charge

Use the Qi charging pad to charge the shaver in three hours. The powerful, lithium-ion battery keeps the shaver going just as strong, for years.

### SmartClick cleansing brush

Simply click on the SmartClick cleansing brush to cleanse more deeply than you can by hand. The brush removes dead skin cells and increases micro-circulation, leaving your skin feeling fresh and radiant.
