Highlights

Model-specific adapter rings

Philips HL [H7], H7 LED* bulbs are suitable for most vehicle models, but some may require adapter rings to ensure safe installation. To find out if you need additional adapter rings to upgrade your car's headlights to LED, check our Philips compatibility lists**.

Optimal fit

Philips LED adapter rings are easy to install and guarantee a perfect fit and secure attachment of the H7 LED bulbs to the vehicles's headlights, where required. To find out more about our adapter rings installation, the user manual can be accessed on the Philips support page***.

Reliable Philips quality

Philips LED adapter rings are made from durable materials and can withstand the physical and thermal stresses of automotive use. They've been tested under the toughest conditions so you can enjoy the unique performance of our Philips HL [H7], H7 LED* bulbs for years.
