Easy to combine with breastfeeding

Natural latch on

Enjoy the lightweight durability of our premium Natural PPSU baby bottle. The ultra-soft teat is wide and breast-shaped, with a flexible spiral and petals to promote natural latch-on – and make it easy to combine bottle and breast-feeding.

Easy to combine breast and bottle feeding

- Natural latch on due to wide breast shaped teat
- Skin-soft teat designed for a natural feed

Other benefits

- Simple to use and clean, quick and easy assembly
- Ergonomic shape for maximum comfort
- Teats with different flow rates available

Premium PPSU material

- A high heat resistance*, lightweight material

A comfortable and contented feed for your baby

- Flexible spiral design combined with comfort petals

Air goes into the bottle, not baby's tummy

- Unique anti-colic valve technology
