Wireless speaker

Passive radiator. Punchy bass Pair two speakers for stereo, 5W RMS output power, IPX7 waterproof

# Highlights

## Passive radiator. Punchy bass

This awesome little speaker delivers amazingly rich and punchy bass. Take your music with you and hear it clearly in the garden, on a walk or at the beach. Perfect for bringing with you whatever your plans are.

## Pair 2 speakers for stereo

In the mood for even richer sounds? You can easily connect two identical speakers together for fantastic stereo sound. Hear your music the way it was meant to be heard. Even when you're out and about, you won't miss a beat or a word.

## IPX7 waterproof

This brilliant little speaker is ready for anything. Whether you're caught in the rain, working up a sweat or even jumping off a boat, an IPX7 waterproof rating means that the speaker can be submerged for up to 30 minutes with no problems.

## Take hands free calls

This speaker is as handy as it is reliable. With the touch of a button you can stop your music and take an incoming call. Keep your hands free and hear your caller's voice clearly every time.

## Up to 12 hours play time

This reliable little speaker won't let you down when you need it. Fully charge with the included USB-C cable for up to 12 hours of continuous play time.

## Connect via Bluetooth

Stream playlists from your mobile device via Bluetooth. Your media sounds rich, deep and clear through this great little speaker. Bring your favorite sounds out with you whatever your plans are for the day.
