Highlights

Ultra quiet

A family-friendly clipper with all the performance and none of the stress. Its smooth motor is engineered for power with reduced vibration - helping to keep the calm while cutting hair.

11 Length Settings with Effortless Slide Button

Customise your hair length precisely with ease. Choose from 10 settings between 3 mm to 21 mm in 2 mm increments. For a closer trim, simply remove the comb for a precise 0.5 mm cut.

Self-sharpening stainless steel blades

Looking good has never been easier. Our hair clippers boast self-sharpening blades that are incredibly long-lasting, ensuring precision grooming from day one to year five and beyond.

Corded use

No more interrupted haircuts. This Philips hair clipper is corded for constant, reliable power.

Skin-friendly combs and blades

A smooth haircut that's safe on skin. The blades and combs of this hair clipper come with rounded tips, helping to avoid irritation and hair being tugged as you cut.

Compact and lightweight

Cut your kids hair with ease. This family-friendly clipper is ergonomically designed to be lightweight and easy to use.

Easy to clean

Clean your electric hair clippers with ease. Simply click open the head to release and clean the blades.

Built to last

A grooming product built to last: this device includes a 2-year warranty, requires no oiling and is compatible with any voltage worldwide.
