- DBB bass boost for extra power
- Different light modes let you choose your party atmosphere

Make the music yours

- Buttons to control power, volume and navigate your playlist
- Karaoke mic input. Knobs to control volume and echo effect
- TWS. Pair two speakers wirelessly for great stereo sound

Highlights

Different light modes

Every party needs a lightshow. Built in behind the speaker's grille sits a fan of lights that will pulse, flash and glow along with your music. Select from different light modes to suit your party atmosphere.

Karaoke mic input. Echo effect

Be your party's music! The speaker features a 6.3 mm port so you can plug in a microphone and let the karaoke loose. Use the knobs to set your microphone volume and choose how much echo you think your singing needs.

Pair for stereo sound

This brilliant Bluetooth party speaker is the perfect way to get your party going. True Wireless technology lets you connect two TAX2208 speakers together for awesome stereo sound.

DBB bass boost for extra power

Make sure your guests are on their feet with this awesome speaker. The DBB button gives you a dynamic bass boost to make your beats even punchier.

Up to 7 hours play time

This speaker lets you move your celebrations outside. Use the included Type-C cable to charge the battery. Once fully charged the speaker will give you up to 7 hours of play time to party with.

Carry handle

Bring the party wherever you want. This lightweight speaker features a convenient handle making it easy to pick up and bring with you. A slot on the top helps you keep your phone handy and the metal grille on the front will survive an outdoor party.

Connect easily

Connect and get the party started! Stream your tunes via Bluetooth or easily connect other devices via audio-in or USB. You can also wirelessly connect to another TAX2208 speaker.
