

Introduction to Expression MR400 and MR Patient Care Portal 5000: Scan for 'how-to' videos

Introduction

Introduction to the Portal 5000

Scan the QR code to learn about the MR Patient Care Portal 5000 and how to operate the device in the MR environment.

ECG Prep

Watch this full-length training video to learn proper clinical ECG application techniques and discover tips for each step.

MR Gating Training Video

Scan to watch a clinical application overview of:

- ✓ how to set up and use the MR400 ECG Universal Gating Interface
- ✓ how to use the different filters

MR400

Expression MR400 Clinical Application – Introduction

Scan for a brief introduction on how to set up ECG and SpO₂ modules for the Expression MR400.

Expression MR400 Clinical Application – ECG

Watch to learn about:

- ✓ correct pairing of ECG cables with electrodes
- ✓ how to properly apply electrodes to a patient
- ✓ how to potentially reduce waveform artifact

Expression MR400 Clinical Application – SpO₂

In this video, learn tips about:

- ✓ SpO₂ clip selection
- ✓ SpO₂ signal strength
- ✓ proper clip placement on the patient
- ✓ appropriate storage of the SpO₂ module

Expression MR400 Clinical Application – NBP

Scan to learn:

- ✓ how to set up the non-invasive blood pressure cuff
- ✓ tips on appropriate cuff placement.

Expression MR400 Clinical Application – Alarms

In this video:

- ✓ learn how to change alarm parameters on the MR400
- ✓ watch an overview of the 1-Touch Alarms setting

Expression MR400 Clinical Application – Suspend mode

Scan the QR code to hear important information and tips about using Suspend Mode on the MR400.

Expression MR400 Clinical Application – Agents/CO₂

Watch this video to learn important preparation tasks and how to correctly connect the sample line to the nasal cannula.

Expression MR400 Clinical Application – IBP

Scan the QR code to watch:

- ✓ a step-by-step instruction video on how to set up the dedicated invasive pressure transducer
- ✓ tips for correct application and usage

Expression MR400 Clinical Application – Temperature

In this video, learn about temperature measurement preparation and sensor placement tips for the MR400.
