PHILIPS

Highlights

Super Silent

Meticulously engineered fan system to optimize airflow and heat dissipation while maintaining a sleek, compact design. Utilizing high-performance fans, this projector offers unparalleled silence, allowing you to fully immerse yourself in your entertainment.

Advanced LED Light Source

The high-quality LED light system delivers rich, vivid colors that last up to 30,000 hours. With an average use of 4 hours per day, this projector will last for up to 20 years! In addition, its energy consumption is much lower than that of a regular lamp projector, allowing you to enjoy a bigger screen and a fully immersive cinema experience, all from an environment friendly device.

NeoPix 550 in True Full HD 1080p

Bring your entertainment to life with True Full HD 1080p - enjoy razor-sharp images, deep contrast, and

crystal-clear text for an unforgettable viewing experience with 500 Lumens.

Smart OS for apps and more

Take full advantage of endless entertainment directly out of the box with all your favorite pre-installed apps.

Powerful sound system

Immerse yourself in outstanding sound quality with the audio system, featuring two speakers for a truly exceptional audio experience. Need a bigger sound? The 3.5mm jack output is there to connect your earphones or external speakers.

Wi-Fi screen mirroring experience

Connect your mobile devices such as a tablet, a smartphone or even a computer wirelessly to mirror and share all your contents.
