Highlights

FM digital radio

The FM tuner delivers clear reception and you can set up to 10 presets for your favourite stations. The display shows the time clearly.

Sleep Timer

Drift into restful sleep with your favourite station playing in the background. You can set the clock's Sleep Timer to play the radio for up to 2 hours. After your preset time has elapsed, the radio turns off.

Dual alarm

The dual alarm function lets you set two different alarms and the Gentle Wake function deploys a gradually increasing radio volume to ease you into the day.

Battery backup

This alarm clock has a battery backup. If there's a power failure, you won't have to reset the clock and your alarm settings will be saved.
