9 tools for face, hair and body

This all-in-one trimmer conveniently trims and styles your facial hair, clips your hair and grooms your body.

Trimmer

Get a smooth, even cut on even the thickest hair. The body and beard trimmer's precise steel blades create clean, straight lines for a perfect finish.

Nose and ear trimmer

Avoid nicks and cuts, as the all-in-one trimmer quickly removes unwanted nose and ear hair.

6 Impact-resistant combs

2 stubble combs (1, 2 mm) , 1 adjustable beard comb (3-7 mm), 2 hair combs (9, 12 mm) and 1 body comb (3 mm).

Up to 80 minutes run time

This Philips trimmer gives you up to 80 minutes of cordless use from a single 16 hour charge.

Soft rubber grip

Your trimmer is easy to hold and manoeuvre, with a rubber ergonomic grip for more controlled trimming.

Waterproof

Simply rinse the device and attachments after each use for long-lasting performance.

Shave it off

The OneBlade shaver doesn't shave as close as a traditional blade, ensuring your skin stays comfortable. Go against the grain and shave off any length of hair easily.

Edge it up

Get precise lines in seconds with the dual-sided blade that enables you to see every hair you're cutting.
