

# EPIQ Ultrasound System

## EPIQ Elite

The EPIQ platform offers our highest level of premium performance. It joins our family of outstanding systems that offer superb image quality for diagnostic confidence, automated quantification and workflow solutions to enhance throughput. The main environmental improvements<sup>1</sup> are improved energy efficiency and reduced product weight.

### Our EcoPassport

As a company committed to doing business sustainably, we are keen to help our customers make responsible choices. We offer solutions that improve people's health and well-being while reducing impact on the environment.

Our EcoPassports summarize the environmental benefits our products offer in one or more of our focal areas. For example, increased energy efficiency, more sustainable packaging, or a circular-ready product design; optimized for repair, refurbishing and recycling.

In this way, we want to help ensure that each purchase decision is the right one for our customer's needs *and* the planet.

### Energy

- On mode: 554 W
- Off mode: 6 W
- Ready to scan/standby mode: 230 W
- Energy usage/year:<sup>2</sup> 2052.75 kWh
- Power for battery charging: 24 W
- Energy use reduced by:<sup>3</sup> 29%

### Packaging

- Total weight: 59.37 kg
- Cardboard/paper: 14.49 kg
- Plastic: 2.81 kg
- Ferro metal: 0.55 kg
- Wood: 41.52 kg
- 100% Wood from Sustainable Forestry Initiative (SFI) certified sources.
- No use of polyvinylchloride (PVC) and expanded polystyrene (EPS)

### Weight

- Product: 104.3 kg
- Weight reduced by:<sup>1</sup> 29%

### Substances

- As required by law, compliant with:
- RoHS 2 compliant<sup>3</sup>
  - REACH compliant

### Circularity

- Circular program available<sup>4, 5</sup>
- Service and spare parts available
- 100% committed to responsible take-back of systems<sup>6</sup>

<sup>1</sup> Compared to its predecessor product, iU22.

<sup>2</sup> average use scenario.

<sup>3</sup> EU Directive 2015/863.

<sup>4</sup> Circular Program includes upgrades, life-time extensions, parts recovery and local recycling.

<sup>5</sup> Available in certain markets.

<sup>6</sup> After customer's acceptance of our trade-in offer.
