Clinically proven to reduce bad breath 3x better*
Part of the #1 recommended breath care system

Don't just mask odors. Philips Sonicare BreathRx mouth rinse is formulated to fight the causes of bad breath. Our powerful formula destroys bad breath bacteria and neutralizes odors for lasting fresh breath.

A powerful combination of ingredients

- Fights tartar and gingivitis
- Kills 99% of bad breath bacteria
- Neutralizes odors

The 3 step system

- Lasting fresh breath in 3 easy steps
- Step 3: Rinse

Highlights

Step 3

The finishing touch. Rinse away germs and debris with the BreathRx antibacterial mouth rinse. Our powerful formula kills bad breath bacteria throughout the mouth, leaving you with nothing but minty fresh breath.

CPC

CPC, a powerful antibacterial ingredient, attacks and kills bad breath bacteria on contact.

Zytex

Zytex, our unique blend of zinc, and thymol & eucalyptus essential oils, neutralizes bad breath odors for instantly fresher breath.

Antibacterial

Fights tartar and gingivitis

3 Steps

Don't just mask odors, eliminate them in 3 easy steps - brush, scrape, rinse. Step 1: Brush away odor-causing plaque with BreathRx Whitening toothpaste. Step 2: Get to the bacteria that hides within the uneven surface of your tongue with the BreathRx tongue spray and tongue cleaner. The active ingredient in the spray kills bad breath bacteria on contact and neutralizes odors. The flexible tongue cleaner gently removes bacteria build-up from the tongue. Step 3: Rinse away the remaining germs and debris with the BreathRx antibacterial mouth rinse.
